1. Cut a four foot length of Wildfire .006. String three Miyuki Berry beads (BB) and one Swarovski 3mm crystal bicone.

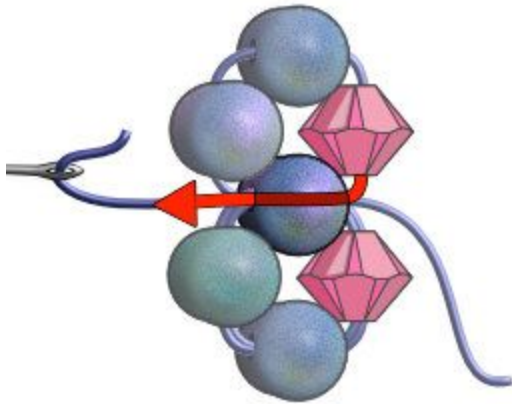

2. Make a loop by passing back through all four beads. Pull tight to secure and leave a six inch thread tail.

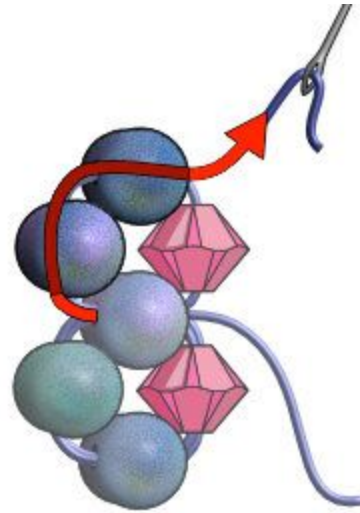

3. Moving counter clockwise, pass through the next BB.

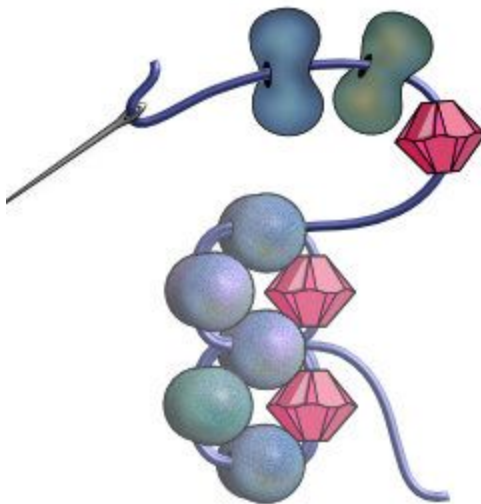

4. String two BB and one 3mm crystal.

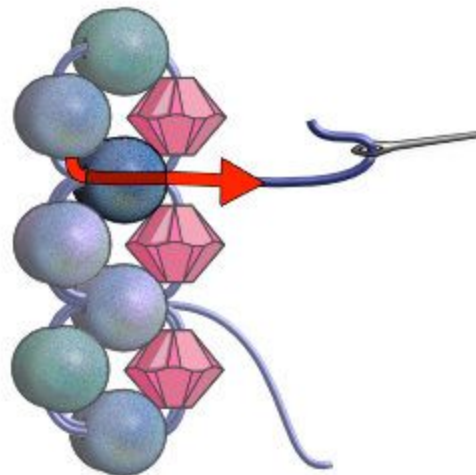

5. Moving clockwise, pass through the BB at the top of the first loop. The newly added beads will form the second loop. This begins [right angle weave](#).

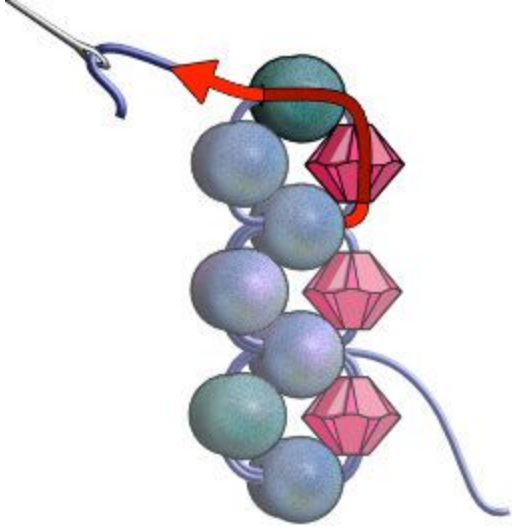

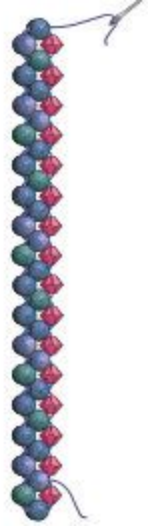

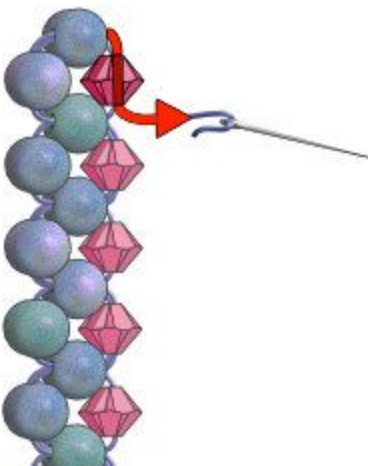

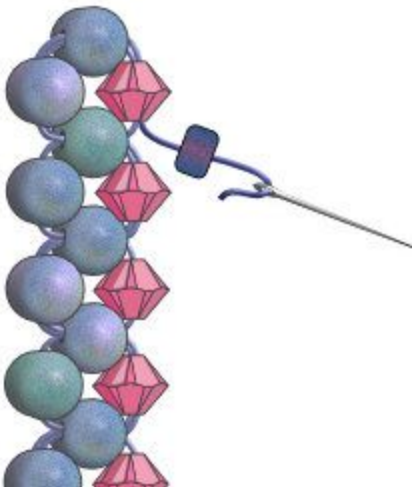

6. Moving clockwise continue up through the next two beads, exiting the BB at the top of the loop.

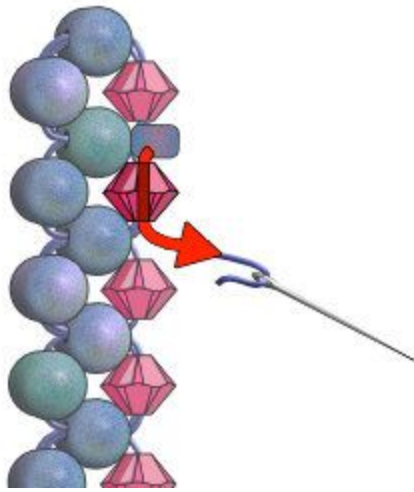

7. String one 3mm crystal and two BB.

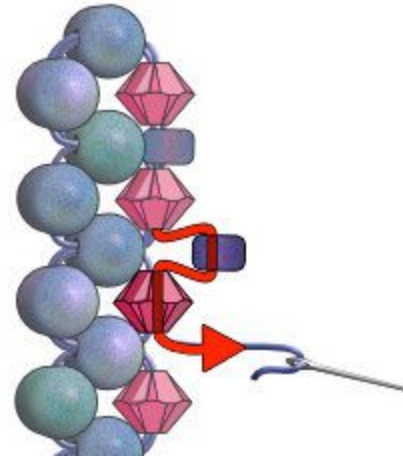

8. Moving counter clockwise, pass through the BB at the top of the second loop. The newly added beads will form the third loop.

	
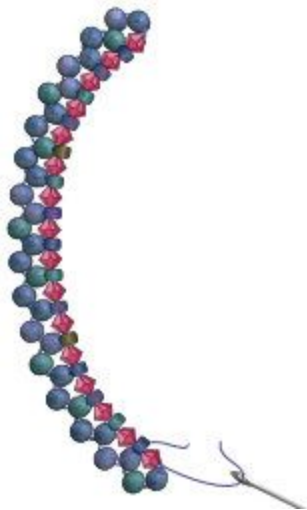

<p>9. Moving counter clockwise continue up through the next two beads, exiting the BB at the top of the loop.</p>	<p>10. Continue in this way, repeating steps 4-9 until there are sixteen loops.</p>

27. Pass through the next two BB at the top of the earring.

28. String five 11/0 beads.

29. Continue back through the two BB at the top of the earring to form a loop.
